

COMPUTER CLUB MEMBERSHIP BENEFITS

Club Members:

- Receive FREE recycled computers, components, printers, cables, and other peripherals
- Receive FREE technical assistance with computer equipment related issues Mondays from 10-4 PM in the Computer Club Technology Center - North J building 5th Floor or at any time, by contacting the experienced volunteers listed on the Information Central Computer Club Technical Help page.
- Dues includes a fee-for-service for Technology Errors and Omissions insurance
- Receive regular Computer Club Newsletters containing technical tips, reports and helpful information
- Receive email notifications about urgent issues related to computers and the Internet
- Have the opportunity to receive significant door prizes at the monthly meetings
- Get advance notice of the small group training courses published in the Renaissance magazine, via the Computer Club Newsletter, to help you plan your future schedule and appointments

Your membership increases our ability to bring in speakers that are of interest to the Willow Valley Residents.
